

# Distribution box

Overall Features:

Without main MCB (Miniature Circuit Breaker).

With Main busbar: 100A.

Single phase, Three-wire, 120/240VAC, 50/60Hz

Indoor Enclosure, rated insulation voltage: 500VAC

## DB-04-112F Distribution Box

**Features:**

4way single pole of MC

Without main MCB with Main busbar : 100A

Three-Phase, Four-wire, 240/415VAC, 50/60Hz

Indoor Enclosure Rated insulation voltage : 600VAC

---

## DB-08-112F Distribution Box

**Features:**

8way single pole of MCB

With 3P 100A MCB INSTALLED  
Three-Phase, Four-wire, 240/415VAC, 50/60Hz  
Rated insulation voltage: 600VAC

---

### DB-12-310F Distribution Box

**Features:** 12way single pole of Mini Circuit Breaker

---

### DB-M06-310F Distribution Box

**Features:** 6way single pole of Mini Circuit Breaker

---

### DB-M08-310F Distribution Box

**Features:** 8way single pole of Mini Circuit Breaker

---

### DB-M12-310F Distribution Box

**Features:** 12way single pole of Mini Circuit Breaker
